Ice Cream Social

Join us on the 23rd at 3 PM in the dining area off of the main lobby for an ice cream social. We'll have a variety of flavors and toppings to help beat the heat! With the Covid restrictions easing up, we look forward to hosting more events so that residents can get to know our team and their neighbors. We hope to see you there!

INTRODUCING!

Liz

She joins us with 11 years of customer service experience. She'll be happy to assist you with anything you need, big or small. In her free time, she enjoys completing puzzles, taking road trips with the music turned up, and spending time with her twin daughters. Liz grew up in the neighboring city of Burien, so she is super familiar with the area. If you need any go to recommendations, she's your girl. A spot that she gives a 5-star must visit rating is Kikey's Café in Burien. She ranks it as the best breakfast spot around and we're already drooling!

Nick

Nick joins us for the summer as our office coordinator. He will be stationed at the counter in the main lobby. Feel free to stop by to pay rent, put in a work order, ask questions, bring up concerns, or just to chat! Don't have time to stop by? No worries, Nick will be helping to answer the phones. The leasing team will still be available, Nick is just providing some extra support. At the end of August, Nick will be returning to the University of Wisconsin-Madison where he is a rising sophomore. He is new to property management, but he is very excited to learn and grow. He was drawn to the position as he is majoring in real estate and finance. His dream is to return to his hometown of Detroit once he graduates to continue his ambitious career in commercial real estate development. Are you a sports junkie? If so, Nick would love to debate all things athletics with you! He played varsity football, varsity basketball, and was the varsity tennis captain at Seattle Prep. Careful though, he roots for Detroit professional sports teams 🤗
